To our Stonehill Family,

It is hard to underestimate the disruption that the coronavirus pandemic has had on all of our lives over the last several weeks. As I sit in my living room typing this, my mind wanders to the 30 springs that I have enjoyed at Stonehill as a staff member. Sunny days filled with the bustle of students wrapping up their semesters while enjoying warmer weather, daffodils bursting into bloom in their carefully tended flower beds and the air of joyous celebration as the campus readies itself to host Commencement, a well-earned rite of passage and recognition for our seniors as we send them out into the wider world, and Reunion, a time honored tradition of welcoming graduates back to Stonehill to deeply engage with each other and the College. There are no words to express how much I miss it.

I know that you are missing togetherness, activities and events that you love as well, especially gatherings with your extended family to celebrate Easter and the renewal that spring offers us all, as we continue to self-isolate. For me, the opportunity to spend more time with my immediate family has been a rare blessing in our otherwise hectic lives. Without the typical extracurricular activities that keep us busy, we have enjoyed long walks, simple pleasures and more meals together. In that spirit of togetherness, for the members of our Stonehill family, the Office of Alumni Engagement created this Stonehill Family Fun Pack including coloring pages, crossword puzzles, word searches and jumbles to share with you.

As Lady Bird Johnson once said “Where flowers bloom, so does hope.” My hope is that better days are ahead of us, that soon we will be able to greet our friends and family in person and that we will all come home to Stonehill once again.
